LIBRARY
UNIVERSITY OF ILLINOIS
URBANA

PREFACE.

THE Twelfth issue of the CHICAGO BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly, and in this way we hope to make the CHICAGO BLUE BOOK as nearly perfect as it is possible to make such a volume.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in the Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches, etc. We shall always be pleased to receive any suggestions from our lady patrons whereby we can enhance the value of this work to them, or any information regarding Social or Literary Clubs and Associations which we have not already incorporated in our volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about twenty-four thousand names of the most prominent householders of Chicago and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

365746

The title, "BLUE BOOK," is given the work because of its *blue* cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "BLUE BOOK—A parliamentary publication, so called from its blue paper cover, such being commonly used; *also, a book containing a list of fashionable addresses.*"

The data for this work have not been compiled from circulars or from other Directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our annual canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us each year the information they wish inserted, in order that the work may possess that accuracy and completeness we have taken so much pains to secure.

based upon the laws of vitality, and scientific principles relating to the cause and cure of Chronic Affections and Weakness. Therefore more logical, fundamental and helpful. Producing results otherwise unapproachable in usefulness, in the restoration of health and strength through the

The Metropolitan Life Insurance Co.

(Incorporated by the State of New York.)

In Its Ordinary Department

furnishes Life Insurance Contracts on all approved standard plans—**Life** and **Endowment**—and on some special forms of its own in sums from $1,000 upwards.

The Distinctive Features

of all its policies is the **absence of any uncertainty as to cost or results.** Both are definitely stated. You know at the outset what you have to pay and what you get in return. They are business contracts—reciting everything—leaving nothing to the imagination, borrowing nothing from hope.

The Metropolitan Creed.

"We believe the time has come when the plain common sense men who make up the bulk of the life insurance policy-holders are looking for a **plain business contract.** By a plain business contract, we mean one which tells the **whole story** on its **face;** which leaves nothing to **imagination;** borrows nothing from **hope;** requires **definite conditions,** and makes **definite promises** in **dollars and cents.**

The Record of the Metropolitan shows that it is a Progressive Company.

Year.	Income for the Year.	Assets at end of Year.	Surplus at end of Year.
